The Martlet

2020-2021

Saltus Grammar School
P.O. Box HM 2224
Hamilton, Bermuda
HM HX

Contents:

Lower Primary: Pg 4-40
Upper Primary: Pg 41-90
Secondary: Pg 91-148

Why the Martlet and where does it come from? A martlet in English heraldry is a mythical bird without feet which never roosts and is continuously on the wing. It is a compelling allegory for continuous effort, expressed in heraldic charge depicting a stylised bird similar to a swift or a house martin, without feet.Why is it used in educational institutions coat of arms? The inability of the martlet to land is said by some commentators to symbolize the constant quest for knowledge, learning, and adventure. Martlets appear in the arms of Worcester College and University College at Oxford university, of Magdalene College and Pembroke College at Cambridge.

From the Head of School's Desk....

Saltus has seen many 'firsts' in its time. The first hurricane, the first (and hopefully only) fire, the first cohort of students of color, the first graduating class of female students, the introduction of Advancement Placement...the list goes on.

Since opening our doors in 1888, we have gone through many firsts and learned many lessons along the way. But that's what great schools need to do. We must stay relevant and inspirational so that you, our amazing students, have everythin you need to realize our Vision and lead us to a more just, fair and sustainable world.

This past year saw another first - one that even the World did not anticipate. Living through a pandemic has caused all of us to learn to be adaptable, flexible, patient and kinder to each other. It's taught us to learn new technologies, new ways o learning and teaching and how to dig deep and learn what resilience truly means.

To you, our Graduates of 2021, I wish you didn't have to go through a pandemic in order to learn these valuable lessons. But learn them you did and I am immensely proud of each and every one of you.

By the time you read these words, you will be living your lives beyond Saltus and realizing our Vision. No matter where life takes you remember the life lessons you learned at Saltus and that you will always be a part of this community. Onward!

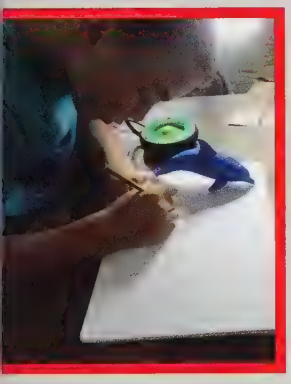
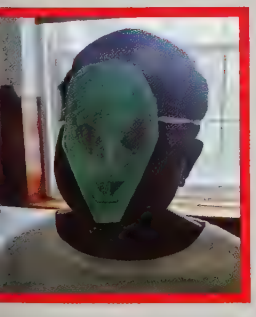
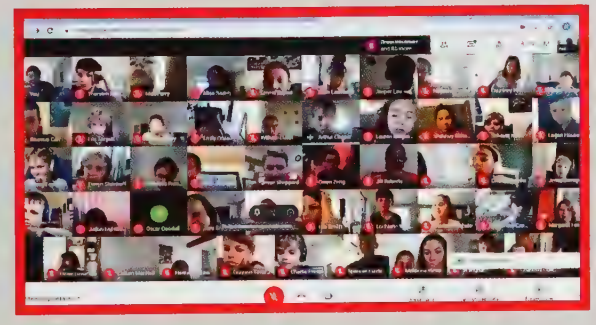
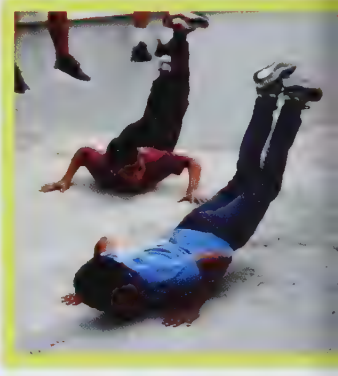
Students and teachers alike did a wonderful job of navigating the transition to virtual learning in 2020–21. Upper Primary Students' technological skills improved as they confidently navigated SaltusLive, Google Classroom, Seesaw, Raz-Plus and other platforms as they continued their learning and investigative research.

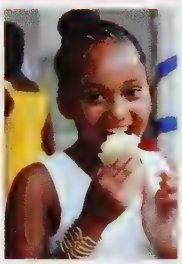


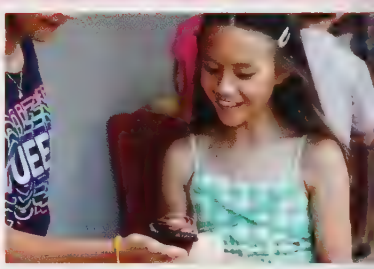


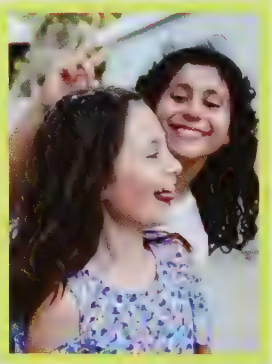


Year 6 BBQ Celebration





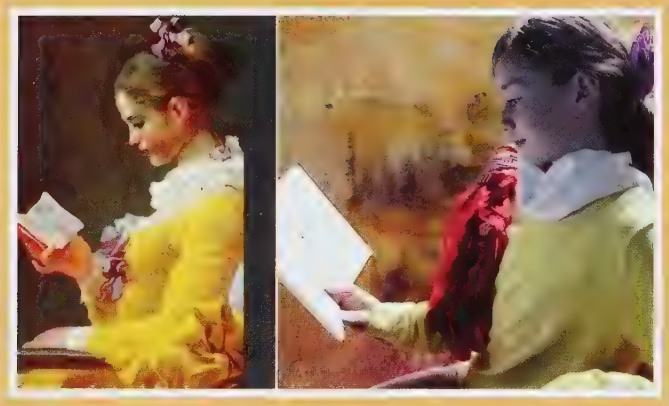




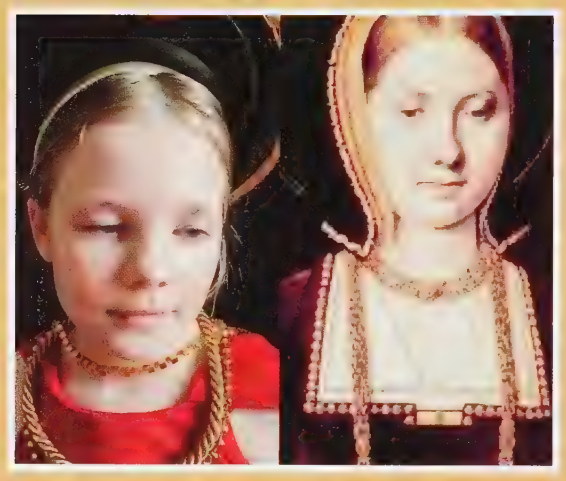
ALTUS
SALTU

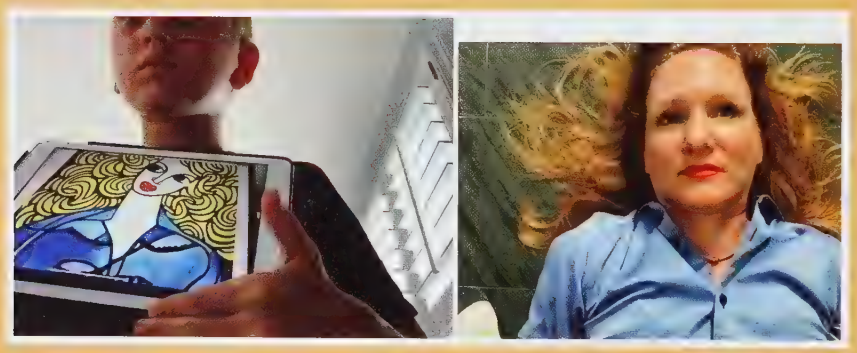
This year we were grateful to be able to celebrate the achievements of our Year 6 students with a BBQ and a Year 6 Celebration on the lawns of Woodlands. It was wonderful to acknowledge our students and reflect on their time in the Saltus Primary Department. Primary Teachers and Staff wish them all the best in their continuing Saltus journey and hope they visit us often at Upper Primary!

WOODLANDS



During virtual learning, Year 5 recreated some famous masterpieces.





INTRO TO SECONDARY 2021

James Anthony
Director of Senior School

As a department we have faced some significant challenges this year. Would exams take place? Would the class of 2021 have an in-person graduation? Would they even have a prom? I am happy to say that the staff and students have risen to these challenges while displaying good humour, patience, and class. Our students have much to be proud of and these pages attest to that. I am particularly proud of our student leaders who, despite the obvious difficulties of 2020/21, pulled off some of their 'big ideas' such as a thrift store, spirit week, live streaming of events, a podcast addressing unconscious bias, and the painting of bike parking spaces to raise money for prom to name but a few.

Please take the time to enjoy the year book and our collective achievements as a community.

Ann Paynter
Director of Middle School

In Middle School we started the year differently, with class 'bubbles' and merged advisories, yet we quickly adapted. I am so proud of the many ways Middle school students worked together, making new friends and getting to know new teachers, all with a smile. We held student led assemblies, had a major community clean up with Keep Bermuda Beautiful, and even managed to squeeze a Middle School Sports Day in too! I hope that you look back on this year with fond memories, for it truly spoke of us as a community and what we mean to each other. Keep showing that grit and resilience as you move through Middle School and beyond. And don't forget to enjoy your summer – you deserve it!

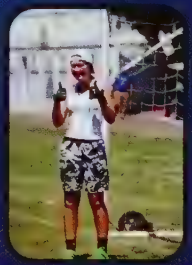
Staff vs Students



Debate and Public Speaking Team 2020-2021

This past year, the COVID-19 pandemic forced Saltus' debaters to adapt as the National Debating Competition was online. Despite this, our three teams (two Middle and one Senior School) fared well, with two Middle Schooler students (Christopher Madeiros and Jack Fischer) winning the 2nd and 3rd place individual speaker awards. The achievements of our teams demonstrate the great potential of Saltus' student-led debate programme and with the continued support from Mrs. Dakin, Mr. Rossides and other teachers who played an instrumental role this year, we hope to do even better in the next school year.

Debate and Public Speaking

Senior Football

SALTUS

SEAP
(Saltus Elite Athletic Programme)

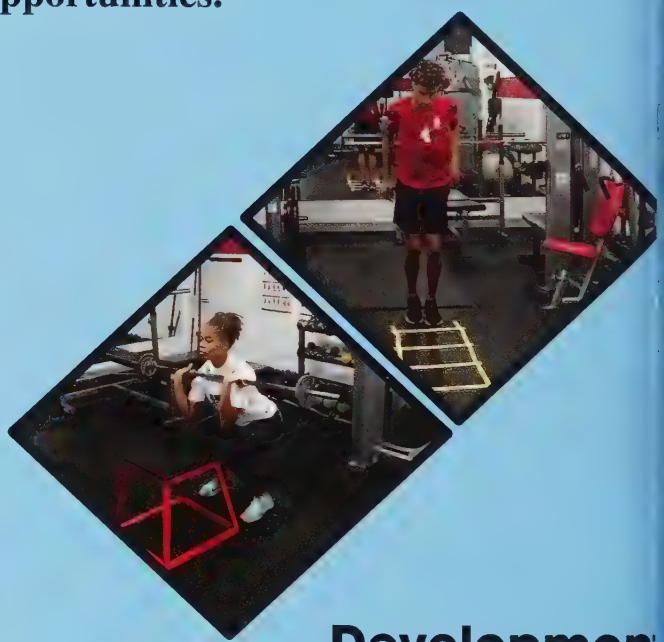
Objectives of SEAP

- To provide a flexible and supportive learning environment where elite athletes can continue to excel at their sport as well as achieve academic success.

- To prepare potential college bound student-athletes both athletically and academically for overseas scholarship opportunities.

Support

Students enrolled in the Saltus Elite Athletic Programme will gain support in NCAA registration, finding overseas camps, tours and academic learning revolving around their sport.



Developmen

The programme focuses upon increasin strength, conditioning and agility. Ther are also courses that teach prope nutritional maintenance and how t properly recover from injuries. Studen also have opportunities to partner wit local sporting bodies and coache

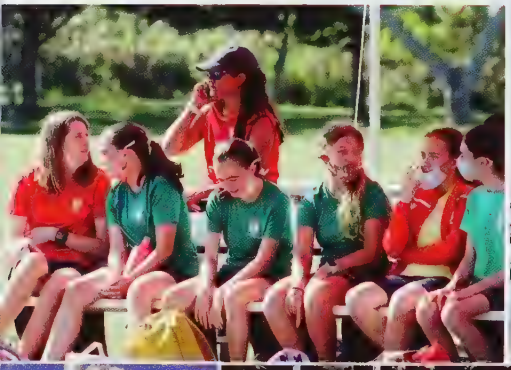
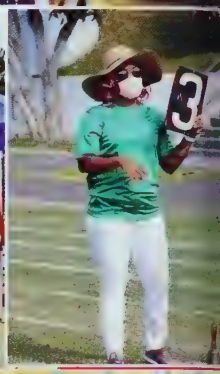
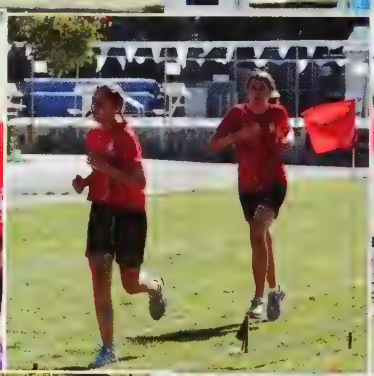
Experiential Week

SPORTS DAY







SPORTS DAY

During this school year, a group of talented and charming performers took up the challenge of producing a school production during the COVID-19 Pandemic. Not only were they having to learn Shakespeare, but they also had to remain in their own social bubbles which made the process even more difficult. While it had been planned to do live productions with an in-house audience like in previous years beforehand, there was in influx of COVID cases, resulting in the production having to be filmed and then edited.

This was a huge effort for everyone involved, but we have to acknowledge the Director and Editor, Ms. Therese Bean. She ran countless rehearsals, painted and created sets and props, filmed the production four separate nights, and then took over eight hours worth of footage and singlehandedly edited the two hour long play, which also required green screen backgrounds as they were forced to perform in our Drama Studio. Truly an accomplishment for everyone involved to be proud of.

A Fond Farewell...

Teaching is the profession that teaches all professions. Each teacher is a chapter in our story. This year we have six gifted educators who are leaving us in the Secondary Dept. We celebrate you by dedicating the yearbook to your remarkable service, your legacies, and your boundless energy your brought to our classrooms! We wish you all the best as you begin a new journey.

André Bean
After-school Program Supervisor.

Louisa Berningham
Teacher of Art.

Paul Bird
Teacher of Economics and Global Business.

Kelly Holmes
Secondary Administrative Assistant

Vanja Dill
Primary Teacher.
(Maternity Cover)

Fiona Murdoch
Head of Art, Year 11 Year Coordinator and Yearbook Adviser.

Kelly Reeves
Head of Science and Psychology.

Sam Shadbolt
Teacher of Chemistry and General Science, Year 10 Year Coordinator.

Leighton Yong
Teacher of Humanities.

Louise Yong
Primary Teacher Year 2.

The 2021 edition of The Martlet was printed by Jostens Yearbooks of Clarksville, TN. The wonderful yearbook staff created 148 full color pages on 100% gloss paper.

As it has been for many years, the Martlet was produced using the Jostens Yearbook Avenue and Yeartech Online programs, without them, the Martlet would still be produced by hand! This year, the Martlet would like to thank Kian Mooney, Jessica Bucher, Chris Adderley, Ethan Fox and Chris Davidson for photography. We'd also like to thank the yearbook layout staff: Jess Bucher, Ethan Fox, Chris Adderley, Jaden Malpas and Jillian Mooney .

Last, but not least, many thanks to Yearbook Prefect, Kian Mooney and Senior Editors Jess Bucher and Chris Adderley for their hard work this year.

To finally conclude, it is due to the efforts of the yearbook committee, along with the lovely and talented Mrs. Murdoch that this book even exists at all. A special farewell to Mrs. Murdoch, we couldn't have done this without you!

Thank you!

Secondary Yearbook Committee 2021

From the Adviser's Desk...

If you had told me 25 years ago I was going to be a teacher, like my mother, grandfather and several before that, I would have laughed. If you had told me 24 years ago, that I would still be teaching, at the same school I graduated from no less, I would have advised you to get some medical advice! So much has changed at Saltus, and yet it seems only yesterday I walked into these halls. I have lost count of the many students I have had the pleasure of teaching, but I remember all the lessons they taught me. As this will be my last letter from the Adviser's Desk, I thought I would share five lessons I have learned as a teacher here at Saltus:

5. What goes around comes around - so stay the course! No matter what new technology or new method gets promoted, good education is still good. Don't doubt your knowledge, you do know what you are doing.
4. Find your Tribe: It is important to find allies and like minded people who you can lean on for support. They understand you and your path. So lean in when you need them.
3. Trust your Gut - if something seems wrong, doesn't sound quite right, don't ignore that feeling. Your first impression is usually the right one. (Thanks Dad for that pearl of wisdom!)
2. Cultivate Relationships - Students, parents, colleagues. This job is all about relationships! Your students will come back 20 years from now and whilst they may not remember the lessons you taught, they will remember how you made them feel. The best teachers have great relationships!
And finally..
1. Pay it Forward - You will be amazed how life comes full circle! 24 years ago I took over from my Art teacher, and now I am passing on the mantle to a former student of mine. I know my students who I am leaving will be in great hands. I couldn't be prouder!

I want to especially thank Lisa Simons, and Claire Steede for their help with the editing and collecting photographs of all the events in Lower and Upper Primary. I could not have produced this book without you all! Finally, I would like to thank my Secondary Yearbook Staff, especially my Senior Editors Chris and Jessica and Yearbook Prefect Kian. This book could not have been created without all of your hard work and industry.

Finally, to my Year 11's and all my Art students: I am so proud of you all! Have faith, never doubt yourself, because the road to tomorrow is paved with hope, there are pages unwritten, stories untold, and a new chapter to begin. I know you will all rise to the challenge.

Fiona Murdoch

Yearbook Adviser 2007-2021

Senior Editors and Yearbook Prefect 2021
